Becky's Balloon Creations

It's no surprise that people love balloons! And they love being adorned by Becky's Creations! Always attracting a crowd with her crazy wigs and costuming, Becky creates balloon art as unique as the person who receives it!

Since 1989 Becky Goodyear has been honing her craft. She has been spreading joy to people of all ages, visiting pre-schools and nursing homes and places in between. Goodyear began her entertainment career as Pickles the Clown, and soon her love of making balloon art took over. "I love the creativity, and I love how it brings people together," says Goodyear. "There is a kid in everyone!" Becky has been performing at fairs and festivals for the last 11 years and this will be her first visit to the El Dorado County Fair. Catch her daily strolling around the grounds, say hello and watch her work her magic.

If you would like to take some of her artwork home it costs only...a SMILE!
