Thrill-Seeking Fairgoers Become the Star of the Show with Hollywood Stunt Adventure

Placerville, CA (June 10, 2011) -- If your creed is to “live on the edge” and you go by the AKA of “Thrill Seeker,” then it’s very likely that the El Dorado County Fair is about to become your new BFF.

Beyond bungee jumping (who needs to be hemmed-in by that big rubber band, anyway?) and much more radical than a carnival ride (yes, even the Zipper!), the Hollywood Stunt Adventure is the ultimate adrenaline rush.

This mammoth attraction coming to the El Dorado County Fair offers YOU the chance to become a Hollywood stunt man or woman for a day. That includes Mom...Dad...Son...Daughter and, yes, even Aunt Tillie!

For the full four-day run of the El Dorado County Fair, June 16-19, the Hollywood Stunt Adventure offers fairgoers the opportunity to work one-on-one with a professional stunt man and learn the skills of the trade.

First, you’ll start with tumbling techniques practiced on mats, then progress to the mini trampoline and ultimately—if you learn your lessons well—graduate to the jump tower where you’ll experience up to five exhilarating jumps—landing on a gigantic professional stunt airbag.

With your friends and family watching, you’ll become the star of the show. And, you can have your picture or video taken, in action, as a keepsake of your adrenaline-fueled adventure.

Or, for those who prefer to get their adrenaline rush from, say, coffee or soda, there’s also a spectator’s version of the Hollywood Stunt Adventure.

Several times daily the professional stunt men and women will take a break from coaching to present the Hollywood Stunt Exhibition Show. The show features a 50-foot aerial straitjacket free fall escape, and the world’s only full-view water torture cell escape, and reenactment of famous jumps and high falls from current action movies. The final night-time performance will also include a special “arm burn high fall stunt” as the finale.

The exhibition show plays five times daily on the main lawn of the El Dorado County Fairgrounds and is free with admission to the Fair. Fifteen to 20 minute stunt classes with up to five participants in each class are offered throughout the four-day Fair for an additional fee.
