In keeping with the philosophy of the Miss El Dorado County program to motivate scholastic excellence and to inspire personal achievement, we offer money for scholarship awards in accordance with the following terms and conditions:

1. Entrant agrees to be bound by the rules and regulations of the Miss El Dorado County Scholarship Competition, and the scholarship will be awarded only according to those rules and regulations.
2. Each scholarship winner shall submit to the scholarship committee of the Miss El Dorado County Scholarship Competition a statement of type of education she wishes to pursue and the name of the institution she plans to attend. This statement must be submitted in writing within ninety (90) days from the date the scholarship is awarded at the final competition. The scholarship committee will consist of the Program Director, El Dorado County Fair Board Executive Committee, and the El Dorado County Fair Chief Executive Officer. The committee will determine the acceptability of the institution.
3. Entrant understands that to qualify for said educational scholarship award she must be a full or part-time student enrolled in an accredited institution of higher education or training.
4. Use of the scholarship award must begin as stipulated herein:
 - A. Entrants who are high school students at the time they compete in the Miss El Dorado County Scholarship Competition and have not yet graduated from high school, must begin the use of their scholarship awards by February 15 following their graduation from high school.
 - B. Entrants who hold a high school graduation diploma/credential at the time they compete in the Miss El Dorado County Scholarship Competition, must begin the use of their scholarship awards by February 15 following the close of the annual competition, unless they can show proof of current scholarship funding, in which case the scholarship committee may approve an extension.
 - C. In the event a scholarship winner is not enrolled in an accredited institution as stipulated above, the scholarship award **will not** be issued, unless the scholarship committee grants an extension.
5. Miss El Dorado County and other scholarship winners shall submit a quarterly report to the scholarship committee of the Association if so requested by the Board of Directors. If it is determined that the scholarship award is not being used in accordance with rules and regulations of the Miss El Dorado County Scholarship Competition, the scholarship committee may revoke the remainder of the scholarship award.
6. Scholarship awards are to be used for higher education or training, and will not be disbursed in cash.
7. Unless the scholarship committee grants a time extension, education under the scholarship must be continuous and completed within four (4) years from the date the scholarship was activated. Otherwise, the balance of the scholarship will be automatically canceled without further notice.
8. Any canceled or unused portion(s) of scholarship(s) will revert to the Miss El Dorado County Scholarship Fund of the El Dorado County Fair Association.
9. Scholarship monies are paid upon receipt of statements from universities, colleges, or training institutions accredited by organizations recognized by the U.S. Department of Education, according to the following provisions:
 - A. Tuition fees are for academic study or other career training. Tuition fees will not be paid for non-accredited subjects.
 - B. Scholarship awards may be used for required class textbook expenses and supplies, upon receipt of statements from universities, colleges, or other institutions of higher education or training.
 - C. Scholarship monies may be used for housing expenses if recipient is a full-time student in an approved institution and is living on campus.

10. Upon approval of the scholarship committee, the scholarship money may be applied to a prior educational indebtedness, such as a student loan.
11. Scholarship monies will be disbursed as follows:
Upon proof of registration in an accredited institution of higher education or training, one-half of scholarship monies won will be issued to the institution for recipient's use. At the end of the semester, recipient must submit an official transcript for that semester and proof of registration for the following semester. Upon completion of this, the balance remaining on the scholarship will be issued to the institution for recipient's use.
12. Scholarships are contingent on recipient's active and consistent participation in all related activities of the Miss El Dorado County Scholarship Competition and service obligations of the Miss El Dorado Court during the year of their reign. It is to be clearly understood by recipients that disbursement of any scholarship will depend solely upon the active participation in their service obligations as part of the Miss El Dorado Court.
These obligations include:
 - Service at events and presentations at the Annual El Dorado County Fair
 - Service at events and presentations at the Annual Fourth of July Blast
 - Service at the Crab Feed Fundraiser in November
 - Service and presentations at the following year's competition, including dress rehearsal.
 - May include other community service, appearances and presentations, one per month as schooling allows.
13. If recipient's conduct is in any way damaging to the name of Miss El Dorado County, or its affiliates, said scholarship awards shall become null and void and will automatically be canceled without further notice. When acting in official capacity as a member of the Miss El Dorado Court, recipient is to follow rules of conduct in accordance with the rules of entry and as set forth at the orientation for the royal court and parents held prior to the opening of the fair.
14. Scholarship monies and awards will not be disbursed or issued if recipient has not completed and signed all necessary forms and documents pertaining to her participation in the events conducted by the Miss El Dorado County Scholarship Competition.
15. No oral or written statement with respect to entrant's rights, privileges, and responsibilities, and those of the Miss El Dorado County Scholarship Competition shall be binding, except as set forth in this writing.
