FOGHAT TO ROUSE EL DORADO COUNTY FAIR ATTENDEES

Take a "Slow Ride" to see Foghat at the El Dorado County Fair and you may not get to see the performance.

CEO Jody Gray announced that the El Dorado County Fair signed legendary rock band Foghat for an 8 pm show on Saturday, June 16, 2007.

"We're sure that Foghat will be a great draw from our surrounding communities, not only to those of us who grew up in the 70's, but also to youth who were recently introduced to this great band," she said.

Foghat began their career in 1971 as an English blues-rock band. By the middle of the decade, they evolved into a major touring and recording act with five gold records and two platinum. Foghat hits "Fool For The City," "Home In My Hand," "I Just Want To Make Love To You," "Road Fever," and "Honey Hush" are sure to energize the crowds and stir up many memories, noted Gray.

Their appearance at the El Dorado County Fair is just weeks after the release of their latest DVD, *Foghat Live II*, which celebrates the 30th Anniversary of their original – and tremendously successful – *Foghat Live* album. *Foghat Live II* was recorded live in California in 2005 and features high energy versions of Foghat classics like "Drivin' Wheel", and "I Just Want To Make Love To You" as well as "Slow Ride" and "Fool For The City."

The concert, which features group members Roger Earl (drums), Craig MacGregor (bass), Charlie Huhn (vocals/guitars) and Bryan Bassett (lead/slide guitar) is free with fair admission and will be performed at the Main Stage at the fairgrounds.
